

PASSIVE CEILING SPEAKER

Two-way ceiling speaker with a high quality 6.5" woofer and a 1" dome tweeter in a co-axial arrangement. The sophisticated crossover works to deliver deep bass and exceptional top-end frequency response.

Efficient and quick installation using improved swing-out dog legs and a frameless design.

Micro edge magnetic grills provide for an unobtrusive appearance while allowing these speakers to fit beautifully in any interior design.

Quality Sound

Sophisticated crossover delivers exceptional bass & top-end frequency response.

Multi-Purpose

Power with a NuBryte Smart Amp, Active Speaker or existing amp.

Multi-Room

Create speaker groups for a Multi-Room experience.

Simplify Installs

Efficient installation using durable swing-out dog legs.
